In the event a crown or bridge fails during the first seven (7) years, or if a thermoformed appliance or splint fails during the first six (6) months due to defects in materials or workmanship, we will at our option repair or replace the device without charge for the cost of materials and workmanship or refund the original price paid.

Except where prohibited by law, we will not be liable for any loss or damages arising from the use of a device, whether direct, indirect, special, incidental or consequential, regardless of the theory asserted, including warranty, contract, negligence or strict liability and if such disclaimer is not permitted by law, the duration of any implied warranty is limited to 90 days from the date of delivery.

Crown World Dental Lab is pleased to process all remakes or adjustments at no additional charge if requested within the warranty period and accompanied by the return of the original appliance.
